A webinar was organized by Electronics and Communication Society at BIT Sindri on 4<sup>th</sup> September in which guests Ms Meenu Gupta (Senior Director of Engineering Citrix, USA), Mr Ramesh Yadav (), Shri D.K. Singh (Director of BIT Sindri) and Dr Imtiaz Ahmed (Head of Electronics and Communication Engineering) addressed the students. Around 100 Students were present in the Webinar. The webinar started with the Kulgeet of BIT Sindri.

The convention started with a heart-touching message by Subhadha Mandavi (Student) to the guests. After that Harsh Tiwari (Student) invited all the guest speakers to address the students in turn. Shri. D.K. Singh made everyone aware of the positive changes taking place in the college and encouraged the students. He asked the students to learn coding language and exposed them to emerging opportunities in various fields. After that, the chief guest Ms Guptaji advised engineering students to do competitive coding. Explained the questions asked by HIR at the time of the interview to the students. Made them aware of the new dimensions and new challenges of today's corporate world and gave them a good idea about how to adapt themselves to today's changing situations. Students showed great enthusiasm in this Q&A and cleared their doubts.

At the end of the Webinar, Sana Naushad thanked all the guests. On behalf of the society, Ms Meenu Gupta was honored and a memento was presented. Ms Meenu Gupta was also presented with a certificate of appreciation and a token of love from the society. Ms Meenu Gupta was delighted to see the affection of the stude
