

Webinar on Scope of Higher Studies

Date: September 24th, 2023

Speaker: Dr. Abhijeet Kumar (Assistant Professor, IIT Bombay)

The seminar on the "Scope of Higher Studies" by Dr. Abhijeet Kumar at B.I.T. Sindri college provided students with valuable insights into the world of advanced education and its potential benefits. Dr. Kumar's role as an assistant professor in the Department of Mechanical Engineering at IIT Bombay lent credibility to his presentation, ensuring that students received firsthand guidance from an esteemed academic. The seminar covered a wide range of subject areas connected to pursuing his/her education, including the numerous fields of study, programmes, and possibilities provided by organizations like IIT Bombay. Dr. Kumar discussed the application procedures, requirements, and benefits of additional study while also sharing his own experiences and knowledge. The benefits of higher education, including specialized knowledge, job progression, and the chance to participate in research and innovation, were presented to students in a comprehensive manner. By demystifying the intricacies frequently connected with postgraduate study, Dr. Kumar's engaging approach and relatable anecdotes made the material more understandable to the audience. Overall, the seminar not only informed students about the scope of higher studies but also empowered them to make well-informed decisions about their academic and professional journeys.
