

Webinar on Financial literacy for student and staff

Date: April 16, 2022

Speaker: Mr. Shakuntala Pareek

The enlightening webinar on "Financial Literacy for Students and Staff" by Mrs. Shakuntala Pareek at B.I.T. Sindri college proved to be a transformative experience for both students and staff members, imparting essential financial knowledge for a more secure future. Mrs. Pareek's impressive background as a NISM Certified Trainer at SEBI and the founder of Pagdandi Group of Companies added substantial credibility to the event.

The significance of making informed financial decisions was one of the webinar's main lessons. Attendees were given the tools to protect their financial security by Mrs. Pareek's views on how to avoid typical financial mistakes and scams. She emphasized the importance of developing a financial strategy that is specific to each person's objectives and situation.

The webinar's effects went beyond the online meeting. In order to better manage their finances and ensure improved financial stability and a brighter financial future, participants received useful skills and tactics. Students and staff's financial literacy was clearly improved by Mrs. Pareek's knowledge and direction, which gave them the tools they needed to successfully manage the complexity of personal money.
